Club 40 Engines

Advanced Class

Recommended:

Thunder Tiger Pro .40 BB ABN w/Muffler

Acceptable Alternatives:

SuperTigre GS-40,

GMS .40 ABC BB,

Evolution .40NT,

and OS .40 BB sport engines or any clones/copies of the listed engines

Sport (aka Novice) Class

(Carl Lindou of the Corona Club, and Terry Yates of the Victor Valley RC Flyers Club said that they are not running this Class, so we would go with the "Advanced Class" above for now.)

Thunder Tiger GP-40 or GP-42 w-Muffler

O.S. .46 LA Non-Ringed w-Muffler

O.S. .40 or O.S. .40LA

O.S. .40 FP

Magnum .40 GP

Tower Hobbies 40 or clones

ALL ENGINES MUST BE STOCK!!! Including carburetor and muffler supplied by the manufacturer. Baffles, if supplied, MUST BE IN THE MUFFLER!
